

YÖS (ISE) ONLINE (International Student Exam TR-YÖS)

Purpose of Education

The Turkish International Student Admission Exam (TR-YÖS), which will be held by ÖSYM (Center for Assessment, Selection and Placement), is an exam that students who want to study in higher education institutions in Türkiye will take and can use their results when applying for admission to these institutions. The use of TR-YÖS results in the admission of students from abroad will be recommended to higher education institutions by the Council of Higher Education.

Students who want to register for the education will be able to register by filling out the form that can be accessed via the link below.
